**Rockin' Down the Highway**-Paul Grushkin

2006 "In this absolutely unprecedented and beautifully produced coffee-table volume, best-selling music writer Paul Grushkin draws on top museum collections and private archives, renowned photographers, lauded poster artists, and record labels to illustrate the remarkable 70-

year synergy between music and motoring. The narrative comprises scores of first-person interviews with prominent figures and explores common themes that have been addressed in vehicle-related songs - as symbols of freedom, vehicles as status symbols, as courting tools, as utilitarian work conveyances, as metaphors (when Reverend Horton Heat sings about his "Big Red Rocket of Love," he's not just talking about his shoebox Ford), and vehicles simply as vehicles. Illustrated with images of musicians, bands, vehicles, album and poster art, and collectibles, the book draws direct lineages juxtaposing artists that may have previously seemed disparate. Also included are music's car-related lore and tragedies, like Gene Vincent's motorcycle accident that spurred his spiral into alcoholism; Hank Williams' death in the backseat of his Cadillac; the death of So-Cal punk icon D. Boon in a tour-van accident; and Neil Young connecting with Stephen Stills in L.A. because the latter saw the former's Ontario plates in a traffic jam. In the end, *Wheels* is the expansive sort of book that everyone from the most casual

music fan to the most hardcore musicologist will find difficult to put down."--Provided by the publisher.

**Feel Like Going Home**-Peter Guralnick  
2012-12-20 This vivid celebration of blues and early rock 'n' roll includes some of the first and most illuminating profiles of such blues masters as Muddy Waters, Skip James, and Howlin' Wolf; excursions into the blues-based Memphis rock 'n' roll of Jerry Lee Lewis, Charlie Rich, and the Sun record label; and a brilliant depiction of the bustling Chicago blues scene and the legendary Chess record label in its final days. With unique insight and unparalleled access, Peter Guralnick brings to life the people, the songs, and the performance that forever changed not only the

American music scene but America itself.

**AC/DC: Maximum Rock & Roll**-Murray

Engleheart 2009-10-13 Over three decades and more than 150 million albums, AC/DC has established itself as much more than just a great rock band. For millions of fans spanning several generations across the world, they are an ear-bleedingly loud, sweat-soaked religion, courtesy of such classic albums as Highway to Hell and Back in Black. Now, in a book of astonishing breadth and scope, comes, for the very first time, the complete story of AC/DC. Everything you ever wanted to know and plenty more you never dreamt of is all here, the ultimate balls-out adventure, laced with sex, drunken escapades and brawls. It's a journey that started in the suburban Sydney, Australia, bedrooms of brothers Malcolm and Angus Young, boys who could wreak havoc with their guitars. Over their power chords were the lyrics and voice of Bon Scott, who would lead them higher and higher—until his tragic death in 1980. The

bittersweet irony after his death was that not only did the Youngs manage to hold together without him, but the band's fortunes and status skyrocketed with his replacement, Brian Johnson, and the album Back in Black. Five long years in the making, AC/DC: Maximum Rock & Roll is sourced from more than 1,300 interviews the band has given over the past thirty years combined with in excess of 75 of the authors' own interviews with those who worked with AC/DC both in the studio and on the road—many of whom have never spoken about the band publicly. It's topped off with stunning, never-before-seen photos to create the ultimate portrait of the ultimate rock band.

**The Rock 'n' Roll Mystery**-Gertrude Chandler

Warner 2006-01-01 The entire town is excited about the summer music festival—especially the Aldens, who have been asked to help with the show. The largest attraction this year will be the popular Greenfield Four. A big-time music producer is going to be in the crowd to catch the

show, and Greenfield residents hope their favorite local group will be famous soon. The day before the show, The Greenfield Four arrive at the rehearsal hall to find all of their instruments missing! The band insists that they won't play without them, and now it's up to the Boxcar Children to find the instruments before the show. Who would want to sabotage the band's big show? Does someone want to steal the Greenfield Four's spotlight, or is the theft an act of revenge? The Aldens are on the case in this music festival mystery.

**How The Beatles Destroyed Rock 'n' Roll-**  
Elijah Wald 2011-10 How the Beatles Destroyed Rock 'n' Roll is an alternative history of American music that, instead of recycling the familiar clichés of jazz and rock, looks at what people were playing, hearing and dancing to over the course of the 20th century, using a wealth of original research, curious quotations, and an irreverent fascination with the oft-despised commercial mainstream.

**Everybody's Heard about the Bird-**Rick Shefchik 2015-11-07 If you didn't experience rock and roll in Minnesota in the 1960s, this book will make you wish you had. This behind-the-scenes, up-close-and-personal account relates how a handful of Minnesota rock bands erupted out of a small Midwest market and made it big. It was a brief, heady moment for the musicians who found themselves on a national stage, enjoying a level of success most bands only dream of. In *Everybody's Heard about the Bird*, Rick Shefchik writes of that time in vivid detail. Interviews with many of the key musicians, combined with extensive research and a phenomenal cache of rare photographs, reveal how this monumental era of Minnesota rock music evolved. The chronicle begins with musicians from the 1950s and early 1960s, including Augie Garcia, Bobby Vee, the Fendermen, and Mike Waggoner and the Bops. Shefchik looks at how a local recording studio and record label, along with Minnesota radio stations, helped make their achievements

possible and prepared the way for later bands to break out nationally. Shefchik delves deeply into the Trashmen's emblematic rise to fame. A Minneapolis band that recorded a fluke novelty hit called "Surfin' Bird" at Kay Bank Studios, the Trashmen signed with Soma Records, topped the local charts in late 1963, and were poised to top the national charts in early 1964. Hundreds of Minnesota bands took inspiration from the Trashmen's success, as teen dances with live bands flourished in clubs, ballrooms, gyms, and halls across the Upper Midwest. Here are the stories of bands like the Gestures, the Castaways, and the Underbeats, and the triumphs—and tragedies—of the most prominent Minnesota-spawned bands of the late 1960s, including Gypsy, Crow, and the Litter. For the baby boomers who remember it and everyone else who has felt its influence, the 1960s rock-and-roll scene in Minnesota was an extraordinary period both in musical history and popular culture, and now it's captured fully in print for the first time. Everybody's Heard about the Bird celebrates how these bands found their singular sound and

played for their elated audiences from the golden era to today.

**Down the Highway**-Howard Sounes 2011-05-24  
The acclaimed biography—now updated and revised. "Many writers have tried to probe [Dylan's] life, but never has it been done so well, so captivantly" (The Boston Globe). Howard Sounes's Down the Highway broke news about Dylan's fiercely guarded personal life and set the standard as the most comprehensive and riveting biography on Bob Dylan. Now this edition continues to document the iconic songwriter's life through new interviews and reporting, covering the release of Dylan's first #1 album since the seventies, recognition from the Pulitzer Prize jury for his influence on popular culture, and the publication of his bestselling memoir, giving full appreciation to his artistic achievements and profound significance. Candid and refreshing, Down the Highway is a sincere tribute to Dylan's seminal place in postwar American cultural history, and remains an

essential book for the millions of people who have enjoyed Dylan's music over the years. "Irresistible . . . Finally puts Dylan the human being in the rocket's red glare." —Detroit Free Press

**Looking to Get Lost**-Peter Guralnick  
2020-10-27 By the bestselling author of *Sam Phillips: The Man Who Invented Rock 'n' Roll* and *Last Train to Memphis: The Rise of Elvis Presley*, this dazzling new book of profiles is a culmination of Peter Guralnick's remarkable work, which from the start has encompassed the full sweep of blues, gospel, country, and rock 'n' roll. It covers old ground from new perspectives, offering deeply felt, masterful, and strikingly personal portraits of creative artists, both musicians and writers, at the height of their powers. "You put the book down feeling that its sweep is vast, that you have read of giants who walked among us," rock critic Lester Bangs wrote of Guralnick's earlier work in words that could just as easily be applied to this new one.

And yet, for all of the encomiums that Guralnick's books have earned for their remarkable insights and depth of feeling, *Looking to Get Lost* is his most personal book yet. For readers who have grown up on Guralnick's unique vision of the vast sweep of the American musical landscape, who have imbibed his loving and lively portraits and biographies of such titanic figures as Elvis Presley, Sam Cooke, and Sam Phillips, there are multiple surprises and delights here, carrying on and extending all the themes, fascinations, and passions of his groundbreaking earlier work. **Bon: The Last Highway**-Jesse Fink 2017-11-07  
The death of Bon Scott is the Da Vinci Code of rock. In death, AC/DC's trailblazing frontman has become a rock icon, and the legend of the man known around the world simply as "Bon" grows with each passing year. But how much of it is myth? At the heart of *Bon: The Last Highway*

is a special and unlikely friendship between an Australian rock star and an alcoholic Texan troublemaker. Jesse Fink, author of the critically acclaimed international bestseller *The Youngs: The Brothers Who Built AC/DC*, reveals its importance for the first time. Leaving no stone unturned in a three-year journey that begins in Austin and ends in London, Fink takes the reader back to a legendary era for music that saw the relentless AC/DC machine achieve its commercial breakthrough but also threaten to come apart. With unprecedented access to Bon Scott's lovers, newly unearthed documents, and a trove of never-before-seen photos, Fink divulges startling new information about Bon Scott's last hours to solve the mystery of how he died. Music fans around the world have been waiting for the original, forensic, unflinching, and masterful biography of Bon Scott so richly deserves it and now, finally, it's here.

**On Highway 61**-Dennis McNally 2014-09-22 On Highway 61 explores the historical context of the

significant social dissent that was central to the cultural genesis of the sixties. The book is going to search for the deeper roots of American cultural and musical evolution for the past 150 years by studying what the Western European culture learned from African American culture in a historical progression that reaches from the minstrel era to Bob Dylan. The book begins with America's first great social critic, Henry David Thoreau, and his fundamental source of social philosophy:---his profound commitment to freedom, to abolitionism and to African-American culture. Continuing with Mark Twain, through whom we can observe the rise of minstrelsy, which he embraced, and his subversive satirical masterpiece *Huckleberry Finn*. While familiar, the book places them into a newly articulated historical reference that shines new light and reveals a progression that is much greater than the sum of its individual parts. As the first post-Civil War generation of black Americans came of age, they introduced into the national culture a trio of musical forms—ragtime, blues, and jazz— that would, with their derivations,

dominate popular music to this day. Ragtime introduced syncopation and became the cutting edge of the modern 20th century with popular dances. The blues would combine with syncopation and improvisation and create jazz. Maturing at the hands of Louis Armstrong, it would soon attract a cluster of young white musicians who came to be known as the Austin High Gang, who fell in love with black music and were inspired to play it themselves. In the process, they developed a liberating respect for the diversity of their city and country, which they did not see as exotic, but rather as art. It was not long before these young white rebels were the masters of American pop music - big band Swing. As Bop succeeded Swing, and Rhythm and Blues followed, each had white followers like the Beat writers and the first young rock and rollers. Even popular white genres like the country music of Jimmy Rodgers and the Carter Family reflected significant black influence. In fact, the theoretical separation of American music by race is not accurate. This biracial fusion achieved an apotheosis in the early work of Bob

Dylan, born and raised at the northern end of the same Mississippi River and Highway 61 that had been the birthplace of much of the black music he would study. As the book reveals, the connection that began with Thoreau and continued for over 100 years was a cultural evolution where, at first individuals, and then larger portions of society, absorbed the culture of those at the absolute bottom of the power structure, the slaves and their descendants, and realized that they themselves were not free.

**Shout, Sister, Shout!**-Gayle Wald 2007-01-15  
Long before "women in rock" became a media catchphrase, Rosetta Tharpe proved in spectacular fashion that women could rock. Born in Cotton Plant, Arkansas, in 1915, she was gospel's first superstar and the preeminent crossover figure of its "golden age" (1945-1965). Everyone who saw her perform said she could "make that guitar talk." *Shout, Sister, Shout!* is the first biography of this trailblazing performer who influenced scores of popular musicians, from

Elvis Presley and Little Richard to Eric Clapton and Bonnie Raitt. An African American guitar virtuoso, Tharpe defied categorization. Blues singer, gospel singer, folk artist, and rock-and-roller, she "went electric" in the late 1930s, amazing northern and southern, U.S. and international, and white and black audiences with her charisma and skill. Ambitious and relentlessly public, Tharpe even staged her own wedding as a gospel concert-in a stadium holding 20,000 people! Wald's eye-opening biography, which draws on the memories of over 150 people who knew or worked with Tharpe, introduces us to this intriguing and forgotten musical heavyweight, forever altering our understanding of both women in rock and U.S. popular music.

**Lost Highway (Enhanced Edition)**-Peter Guralnick 2013-12-03 This masterful exploration of American roots music--country, rockabilly, and the blues--spotlights the artists who created a distinctly American sound, including Ernest Tubb, Bobby "Blue" Bland, Elvis Presley, Merle

Haggard, and Sleepy LaBeef. In incisive portraits based on searching interviews with these legendary performers, Peter Guralnick captures the boundless passion that drove these men to music-making and that kept them determinedly, and sometimes almost desperately, on the road. This enhanced edition includes: Exclusive video footage prepared specifically for the enhanced eBook that has never been seen before. Rare audio clips.

### **History of Rock 'n' Roll in Ten Songs-**

Greil Marcus 2014-09-02 The legendary critic and author of Mystery Train “ingeniously retells the tale of rock and roll” (Publishers Weekly, starred review). Unlike previous versions of rock 'n' roll history, this book omits almost every iconic performer and ignores the storied events and

turning points everyone knows. Instead, in a daring stroke, Greil Marcus selects ten songs and dramatizes how each embodies rock 'n' roll as a thing in itself, in the story it tells, inhabits, and acts out—a new language, something new under the sun. “Transmission” by Joy Division. “All I Could Do Was Cry” by Etta James and then Beyoncé. “To Know Him Is to Love Him,” first by the Teddy Bears and almost half a century later by Amy Winehouse. In Marcus’s hands these and other songs tell the story of the music, which is, at bottom, the story of the desire for freedom in all its unruly and liberating glory. Slipping the constraints of chronology, Marcus braids together past and present, holding up to the light the ways that these striking songs fall through time and circumstance, gaining momentum and meaning, astonishing us by upending our presumptions and prejudices. This book, by a founder of contemporary rock criticism—and its most gifted and incisive practitioner—is destined to become an enduring classic. “One of the epic figures in rock writing.”—The New York Times Book Review “Marcus is our greatest cultural

critic, not only because of what he says but also, as with rock-and-roll itself, how he says it.”—The Washington Post Winner of the Deems Taylor Virgil Thomson Award in Music Criticism, given by the American Society of Composers, Authors & Publishers

**Sam Phillips: The Man Who Invented Rock 'n' Roll**-Peter Guralnick 2015-11-10 From the author of the critically acclaimed Elvis Presley biography: Last Train to Memphis brings us the life of Sam Phillips, the visionary genius who singlehandedly steered the revolutionary path of Sun Records. The music that he shaped in his tiny Memphis studio with artists as diverse as Elvis Presley, Ike Turner, Howlin' Wolf, Jerry Lee Lewis, and Johnny Cash, introduced a sound that had never been heard before. He brought forth a singular mix of black and white voices passionately proclaiming the vitality of the American vernacular tradition while at the same time declaring, once and for all, a new, integrated musical day. With extensive

interviews and firsthand personal observations extending over a 25-year period with Phillips, along with wide-ranging interviews with nearly all the legendary Sun Records artists, Guralnick gives us an ardent, unrestrained portrait of an American original as compelling in his own right as Mark Twain, Walt Whitman, or Thomas Edison.

**Stars of the Rock 'n' Roll Highway**-Victoria Micklish Pasmore 2016-06-01 If Memphis is the birthplace of rock 'n' roll, it certainly spent its adolescence along U.S. Highway 67. Known today as Rock 'n' Roll Highway 67, it runs from Newport, Arkansas, to the Missouri border. It is here that the first rock 'n' rollers honed their skills, playing the small towns along the two-lane road. Elvis Presley, Johnny Cash, Jerry Lee Lewis, Carl Perkins—These were just a few of the young musicians who performed their music in the school gyms, honky-tonks, and clubs that dotted Highway 67 with such colorful names as Bloody Bucket, Silver Moon, Porky's Rooftop, and the

Skylark Drive In Theater. Presley, Cash, Lewis and Perkins—Sun Records’ “Million Dollar Quartet”—toured together while nurturing such local talent as Sonny Burgess, Bobby Brown, Narvel Flats, and Charlie Rich. In these pages, author Vicki Pasmore takes you on a guided tour of the Rock ‘n’ Roll Highway to meet 20 of the entertainers who gave it its name.

### **Smithsonian Rock and Roll**-Bill Bentley

2017-10-24 In December 2015, the Smithsonian called on rock and roll lovers around the world to collect photos and stories of their favorite moments in music. Fans dug through attics, basements, closets, shoeboxes, digital cameras, and photo albums to post great rock shots to [rockandroll.si.edu](http://rockandroll.si.edu). From Woodstock to the Whisky a Go Go, from Lollapalooza to the 9:30 Club, and all the rockin' places in between, fans overwhelmingly responded with their favorite rock and roll moments. Iconic artists ranging from the Who to Nirvana to Chuck Berry to the Jimi Hendrix and many more are celebrated here.

There are early photographs of everyone from Run-D.M.C. to the Runaways, and contemporary shots of some of the biggest names in music, including Bruce Springsteen, the Rolling Stones, and Metallica. Presented together, these photographs create a kaleidoscopic history of the artists, the musical styles, the venues, the concerts, and the fans. This is rock and roll as it has never been seen before.

### **No Simple Highway**-Peter Richardson

2015-01-20 For almost three decades, the Grateful Dead was America's most popular touring band. No Simple Highway is the first book to ask the simple question of why—and attempt to answer it. Drawing on new research, interviews, and a fresh supply of material from the Grateful Dead archives, author Peter Richardson vividly recounts the Dead's colorful history, adding new insight into everything from the Acid Tests to the band's formation of their own record label to their massive late career success, while probing the riddle of the Dead's

vast and durable appeal. Arguing that the band successfully tapped three powerful utopian ideals—for ecstasy, mobility, and community—it also shows how the Dead's lived experience with these ideals struck deep chords with two generations of American youth and continues today. Routinely caricatured by the mainstream media, the Grateful Dead are often portrayed as grizzled hippy throwbacks with a cult following of burned-out stoners. No Simple Highway corrects that impression, revealing them to be one of the most popular, versatile, and resilient music ensembles in the second half of the twentieth century. The band's history has been well-documented by insiders, but its unique and sustained appeal has yet to be explored fully. At last, this legendary American musical institution is given the serious and entertaining examination it richly deserves.

**The Rock And Roll Book Of The Dead**-David Comfort 2009-09-01 Once you're dead, you're made for life. --Jimi Hendrix Hendrix. Janis.

Morrison. Elvis. Lennon. Cobain. Garcia. Their reckless brilliance held the key to their self-destruction. Their deaths had much in common--and, surprisingly, so did their lives. From lonely childhoods marred by loss to groundbreaking music and turbulent careers that ended tragically and suspiciously, David Comfort explodes the myths as he probes: • The sinister roles of Hendrix's manager and girlfriend in his death and subsequent cover-up • The bizarre odyssey of Jim Morrison's corpse • Why Kurt Cobain was worth more dead than alive to Courtney Love • The twisted motives that caused John Lennon to sail through the Devil's Triangle to Bermuda--nearly going down in a storm--shortly before he was fatally shot • The crippling disease and "miracle" drug that drove Elvis to suicide Charismatic and gifted, but also isolated and conflicted, these are not the rock icons you thought you knew. Here are their larger-than-life stories of turmoil and excess that led to their early deaths and ultimate immortality. It's a wild ride to the other side of fame. "Fame is the soul eater." --Jerry Garcia "Everybody loves you when

you're six foot in the ground." --John Lennon  
Includes Rare Photos David Comfort is the author of three bestselling nonfiction books. His short fiction has appeared in numerous magazines, including Eclectic Literary Forum, Pacific Review, Coe Review, and Belletrist Review. He has been the recipient of several literary prizes and a finalist for such prestigious awards as the Nelson Algren Award and America's Best. A former rock musician, he has spent over 30 years studying rock music, particularly the revolutionary and fatalistic pioneers of the 1960s. He lives in Santa Rosa, California.

**Unsung Heroes of Rock 'n' Roll**-Nick Tosches 1999 The author of "Country" now offers a paean to a forsaken time of relentless excess, sudden ruin, and fierce music--the days of rock 'n' roll, long before Elvis came on the scene. 42 illustrations.

**America, the Band**-Jude Warne 2020-05-15 As if recovering from a raucous dream of the 1960s, Gerry Beckley, Dewey Bunnell, and Dan Peek arrived on 1970s American radio with a sound that echoed disenchanting hearts of young people everywhere. The three American boys had named their band after a country they'd watched and dreamt of from their London childhood Air Force base homes. What was this country? This new band? Classic and timeless, America embodied the dreams of a nation desperate to emerge from the desert and finally give their horse a name. Celebrating the band's fiftieth anniversary, Gerry Beckley and Dewey Bunnell share stories of growing up, growing together, and growing older. Journalist Jude Warne weaves original interviews with Beckley, Bunnell, and many others into a dynamic cultural history of America,

the band, and America, the nation. Reliving hits like "Ventura Highway," "Tin Man," and of course, "A Horse with No Name" from their 19 studio albums and incomparable live recordings, this book offers readers a new appreciation of what makes some music unforgettable and timeless. As America's music stays in rhythm with the heartbeats of its millions of fans, new fans feel the draw of a familiar emotion. They've felt it before in their hearts and thanks to America, they can now hear it, share it, and sing along.

**The Chitlin' Circuit: And the Road to Rock 'n' Roll**-Preston Lauterbach 2011-07-18

"Lauterbach's tribute . . . is welcome and overdue." —Jonathan Yardley, *Washington Post*

For generations, "chitlin' circuit" has meant second tier—brash performers in raucous nightspots far from the big-city limelight. Now, music journalist Preston Lauterbach combines terrific firsthand reportage with deep historical research to offer a groundbreaking account of the birth of rock 'n' roll in black America.

**Laurel Canyon**-Michael Walker 2010-05-01

In the late sixties and early seventies, an impromptu collection of musicians colonized a eucalyptus-scented canyon deep in the Hollywood Hills of Los Angeles and melded folk, rock, and savvy American pop into a sound that conquered the world as thoroughly as the songs of the Beatles and the Rolling Stones had before them. Thirty years later, the music made in Laurel Canyon continues to pour from radios, iPods, and concert stages around the world. During the canyon's golden era, the musicians who lived and worked there scored dozens of landmark hits, from "California Dreamin'" to "Suite: Judy Blue Eyes" to "It's Too Late," selling tens of millions of records and resetting the thermostat of pop culture. In Laurel Canyon, veteran journalist Michael Walker tells the inside story of this unprecedented gathering of some of the baby boom's leading musical lights—including Joni Mitchell; Jim Morrison; Crosby, Stills, and Nash; John Mayall; the Mamas and the Papas; Carole King; the Eagles; and Frank Zappa, to name just a few—who turned Los Angeles into the music

capital of the world and forever changed the way popular music is recorded, marketed, and consumed.

**AC/DC-Murray Engleheart 2015-07-01** Who knew when the Young family emigrated from Glasgow to Sydney in the early sixties that the family's youngest lads would go on to lead one of the world's most loved and respected rock bands? Who knew that some of their biggest fans would end up being their own heroes, the Rolling Stones? that streets in Melbourne and Madrid would be officially named in their honour? that they would play to two million people at a single concert in Moscow? For the first time, Murray Engleheart along with Arnaud Durieux tells the full story of Australia's greatest and loudest rock n' rock export. Not only did they manage to emerge from the tragic death of legendary singer, Bon Scott in 1980. But in a bitter sweet irony, the band's fortunes and status skyrocketed around the world with Scott's replacement, Brian Johnson and the album, Back In Black. More than

25 years on, AC/DC show no sign of slowing down and are more an institution than simply a rock band. try and imagine a world without them.

**Rock Star Nation-Nick Thomas 2020-09-21** With the lure of stardom, great wealth and adoring fans, everyone wants to be a rock star. In our celebrity-obsessed society, it's the ultimate achievement. Despite their efforts, few musical acts ever hear their songs on the radio, perform in large arenas or are inducted into the Rock and Roll Hall Fame. However, attaining rock stardom often comes at a huge cost. Hundreds of recording stars reveal how they dealt with sudden fame, newfound wealth, unscrupulous record companies, bloated egos, fan worship, personal relationships, mental health struggles and the many temptations on the concert road. This book is an inside look at the music business - warts and all. On the rock and roll highway, life in the fast lane is often accompanied by speed bumps, unplanned detours and spectacular crashes.

**Sex, Drums, Rock 'n' Roll!**-Kenny Aronoff  
2016-10-01 (Book). Foreword by Neil Peart.  
Talent, energy, dedication, discipline, passion, innovation, education, drive, mind, body, spirit, vision, honor, truth, and drums make the man: Kenny Aronoff. Voted by Rolling Stone magazine as one of the greatest drummers of all time, Aronoff is arguably the most sought-after recording and touring beat master ever. Ignited by the Beatles' appearance on The Ed Sullivan Show in 1964, Aronoff's passion for drumming fervently grew and carried him from the kit in his childhood living room in the Berkshires to Bernstein at Tanglewood to Mellencamp, Etheridge, Fogerty, Smashing Pumpkins, the Rolling Stones, the Beatles his heroes and beyond. But none of this would have been possible without his fierce work ethic and unique approach to drumming an integration of all parts of his being, along with meticulous attention to note-for-note detail, feel, and what the song needs . Both a leader and a team player in the

mission to realize a greater good an unforgettable recording, a riveting show Aronoff brings it every time. Through any setbacks heartaches, failures, injuries, or plain fatigue from the rigors of the biz Aronoff has stayed the arduous and wild rock 'n' roll course. His tale of what is possible with unrelenting dedication to one's bliss is an inspiration to all. Sex, Drums, Rock 'n' Roll! details Aronoff's youth in the Berkshires and the Midwest, from his early inspirations to his serious classical and jazz study, which gave him the foundation to be able to play anything. The failure of a first rock band in his early twenties had a silver lining: it freed him up for an audition that would change his life John Mellencamp. His work with Mellencamp catapulted Aronoff to the top of the charts with such hits as "Hurt So Good," "Little Pink Houses," and "Jack and Diane" and paved the way for session and recording work with droves of remarkable artists: Melissa Etheridge, John Fogerty, Bon Jovi, Stevie Nicks, Smashing Pumpkins, the BoDeans, Paul Westerberg, Celine Dion, Iggy Pop, Elton John, Bob Dylan, Alice

Cooper, Brian Wilson, Meat Loaf, Joe Cocker, and countless others. In addition to his work as a world-famous recording and touring drummer, Aronoff finds time to be a dedicated teacher and has shared his expertise with students all over the world, teaching clinics for Tama and Zildjian. Heading into his fourth decade of rocking hard, Aronoff shows no signs of slowing down. Featuring rare photos, testimonials from major artists and from those who know him best, a chronology of live performances, a discography, and a foreword by Neil Peart, this book is the story of one of the greatest musicians of all time.

**Testimony**-Robbie Robertson 2016-11-15 New

York Times Bestseller • On the 40th anniversary of The Band's legendary The Last Waltz concert, Robbie Robertson finally tells his own spellbinding story of the band that changed music history, his extraordinary personal journey, and his creative friendships with some of the greatest artists of the last half-century. Robbie Robertson's singular contributions to popular music have made him one of the most beloved songwriters and guitarists of his time. With songs like "The Weight," "The Night They Drove Old Dixie Down," and "Up on Cripple Creek," he and his partners in The Band fashioned a music that has endured for decades, influencing countless musicians. In this captivating memoir, written over five years of reflection, Robbie Robertson employs his unique storyteller's voice to weave together the journey that led him to some of the most pivotal events in music history. He recounts the adventures of his half-Jewish, half-Mohawk upbringing on the Six Nations Indian Reserve and on the gritty streets of Toronto; his odyssey at sixteen to the Mississippi Delta, the fountainhead of American

music; the wild early years on the road with rockabilly legend Ronnie Hawkins and The Hawks; his unexpected ties to the Cosa Nostra underworld; the gripping trial-by-fire “going electric” with Bob Dylan on his 1966 world tour, and their ensuing celebrated collaborations; the formation of the Band and the forging of their unique sound, culminating with history's most famous farewell concert, brought to life for all time in Martin Scorsese's great movie *The Last Waltz*. This is the story of a time and place—the moment when rock 'n' roll became life, when legends like Buddy Holly and Bo Diddley criss-crossed the circuit of clubs and roadhouses from Texas to Toronto, when The Beatles, Hendrix, The Stones, and Warhol moved through the same streets and hotel rooms. It's the story of exciting change as the world tumbled through the '60s and early 70's, and a generation came of age, built on music, love and freedom. Above all, it's the moving story of the profound friendship between five young men who together created a new kind of popular music. Testimony is Robbie Robertson's story, lyrical and true, as only he

could tell it.

**Highway to Hell**-Clinton Walker 1994 The definitive account of AC/DC's rise to fame, when the cheeky lyrics and charismatic presence of Bon Scott, along with the guitar work of Angus and Malcolm Young, defined a new, highly influential brand of rock and roll. Drawing on original interviews and including many rare photos, this book traces AC/DC's career through the life of their original front man.

**Hollywood Eden**-Joel Selvin 2021-04-06 “Hollywood Eden brings the lost humanity of the record business vividly back to life ... [Selvin's] style is blunt, unpretentious and brisk; he knows how to move things along entertainingly ... Songs about surfboards and convertibles had turned quaint, but in this book, their coolness is restored.” — New York Times From surf music to hot-rod records to the sunny pop of the Beach Boys, Jan & Dean, the Byrds, and the Mama's &

the Papa's, Hollywood Eden captures the fresh blossom of a young generation who came together in the epic spring of the 1960s to invent the myth of the California Paradise. Central to the story is a group of sun-kissed teens from the University High School class of 1959 — a class that included Jan & Dean, Nancy Sinatra, and future members of the Beach Boys — who came of age in Los Angeles at the dawn of a new golden era when anything seemed possible. These were the people who invented the idea of modern California for the rest of the world. But their own private struggles belied the paradise portrayed in their music. What began as a light-

hearted frolic under sunny skies ended up crashing down to earth just a few short but action-packed years later as, one by one, each met their destinies head-on. A rock 'n' roll opera loaded with violence, deceit, intrigue, low comedy, and high drama, Hollywood Eden tells the story of a group of young artists and musicians who bumped heads, crashed cars, and ultimately flew too close to the sun.
